

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF MONTGOMERY CREEK ) CASE NO.  
GAS COMPANY FOR FARM TAP RATE ) 2011-00388  
INCREASE )

O R D E R

On September 23, 2011, Montgomery Creek Gas Company ("Montgomery Creek") filed an application to increase its rates for the provision of farm tap service effective November 1, 2011. Montgomery Creek filed additional information on October 10, 2011 in response to the Commission's October 3, 2011 letter listing the application's filing deficiencies. The Commission's November 4, 2011 letter informed Montgomery Creek that, with its filing of the additional information, its application met the minimum filing requirements. The application was accepted for filing as of October 10, 2011.

The Commission finds that the review of Montgomery Creek's application for an increase in rates cannot be completed prior to 60 days from the filing date. Therefore, the Commission will suspend the effective date of the proposed rates for four months from December 9, 2011, which, based on the filed date, is the earliest possible effective date for Montgomery Creek's proposed farm tap rate increase.

IT IS THEREFORE ORDERED that:

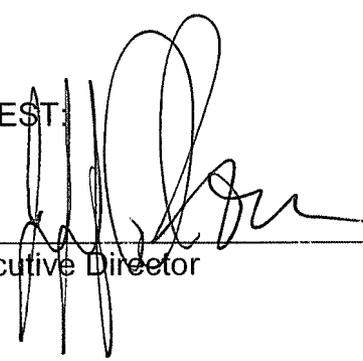

1. Montgomery Creek's proposed rates are suspended for four months from December 9, 2011, up to and including April 8, 2012.

2. Nothing shall prevent the Commission from issuing an Order prior to the end of the suspension period.

By the Commission
